

## NEW TREND IN REPORTING IS OUTLINED AT STAFF DINNER

Lee McCordell, a staff member of the Baltimore (Maryland) Sun for 25 years, cited the "new trend" in news reporting by means of the radio and television at the annual dinner of The Gettysburgian staff, Gettysburg college weekly publication, at the Hotel Gettysburg Thursday evening. One hundred and eight attended the dinner.

Mr. McCordell, who represented the Sun in several European countries during the recent war, explained the difficulties he encountered in getting his news stories cleared through the censorship offices and the transmitting rooms. He compared this with the radio newscasters' experiences who, he said, were able to broadcast their stories immediately thereby "beating" his service by ten or more hours.

The speaker told his audience that this new trend in news reporting was a serious threat and that its technique would be further developed in future years. He explained that future reporters would have many obstacles to surmount but that he did not expect either radio or television to put the newspapers out of business.

He said radio and television reporting were often confusing and misleading and that they could be a serious threat if they fell into the hands of those who wished to use these mediums for misleading or misguiding purposes.

**Announce New Editor**  
Warren I. "Bud" Green was named editor to succeed William Snyder. Other staff promotions which were announced were: managing editor, Maude Aund; associate editor, Carey Moore; news editor, Marion Jones; assistant news editors, John Larsen and Wade Ortel; literary editor, Lynn Leibfried; co-sports editors, John Jones and Ed Partikian; assistant sports editors, Shirley Thomas, Steve Ayres and Richard Lippert; business manager, Willis Long; assistant business manager, Parker Peterman; advertising manager, David Thomas and circulation manager, Robert Howard.

Dr. Henry W. A. Hanson, president of the college, told the group that, "The Gettysburgian furnishes a field for the largest extra-curricular development there is in college." After praising the members of the staff for "a job well done," Dr. Hanson presented fountain pens to retiring Editor Snyder, retiring As-

## 12 MORE VETS ARE ENROLLED IN AG CLASSES

Twelve World War II veterans entered veterans' agriculture class training Thursday evening at a meeting held in the court house here.

William H. Shaffer, Benderville, was added to the class taught by Daniel A. Paddock. Added to the class of Carl Seifert were Donald R. Yingling, New Oxford R. 1; William J. Frey, Abbottstown R. 1; Charles J. Carbaugh, New Oxford R. 1, and Karl H. Kuykendall, Littlestown R. 2, who was transferred from a York county class.

Placed in the class taught by Frederick Block were John C. Butler, Gettysburg R. 5, also transferred from a York county class; Harvey G. Landis, Fairfield R. 1; George A. Plenner, Orrtanna R. 1; and William H. Horner, Gettysburg R. 1.

**Classes Have 104 Enrolled**  
Howard Johnson, Gettysburg R. 1, became a member of the class taught by Edwin Rice and Martin L. Alleman, Biglerville R. 2, and Vernon F. Lamberson, New Oxford R. 1, were added to the class taught by Lorin Weikard. The addition of the members to the classes brought the total of veterans currently undergoing farm training to 104.

At Thursday's meeting the application papers of the enrollees were given their final check. Assistant County Superintendent of Schools C. I. Raffensperger, who represented the county school board which sponsors the training program, spoke on the importance of GI agriculture training in producing better farmers.

The five full time instructors for the courses were introduced and each spoke briefly concerning the classes which will begin next week. County Vocational Education Advisor Richard C. Lighter explained the regulations governing the farm training and the Veterans Administration program in connection with their farm education.

## Believed To Have Been On Lost Plane

Aboard the Air Force transport plane believed to have crashed in the Yukon wilderness with 44 persons is said to have been Corp. Henry S. Kerchner, 19, a son of Mr. and Mrs. C. E. Lewis Kerchner, near Thomasville.

Corp. Kerchner is a grandson of Mrs. Bertha Wolf Kerchner, York, a former resident of East Berlin, and the young man has frequently visited in this county. He enlisted in 1947 and is the fifth son of his parents to serve in the armed forces, his elder brother, Richard, having been killed in World War II action.

The missing man's parents stated that he was expecting to visit them shortly. They refuse to give up hope that he will be found alive.

## VIRGINIA WRIGHT NEW PRESIDENT OF B. & P. CLUB

Miss Virginia Wright was elected president of the Business and Professional Women's club during a business session following a Valentine supper at the YWCA building Thursday evening.

Other officers named include: Vice president, Mrs. Elizabeth Hughes; secretary, Miss Mary Duttera, and treasurer, Mrs. Paul Myers. These officers will be installed formally at the March business meeting.

Mrs. Jesse L. Clapsaddle presided at the Valentine supper and Mrs. Lois Staub gave the grace. The tables were decorated in the Valentine motif and the 28 members present exchanged comic valentines.

Thirty-four members were present at the business meeting which followed, at which Miss Carolyn Rupp, president, presided. Mrs. Staub and Mrs. Florence Deltz were pages. Devotions were conducted by Miss Mary Duttera. Mrs. Clapsaddle read a tribute to Lincoln. Mrs. W. A. Corbett, the club's representative on the Women's Civic Council, presented the projects in which the council is interested and the club discussed those in which they were particularly interested. She presented the council's request for a \$1 contribution from each participating group and the club voted \$5.

The Public Affairs committee reported that they were unable to get speakers for a discussion on socialized medicine in January and the group selected a date in March. Miss Roberta Bittinger, Ways and Means chairman, reported the committee's last project would be a rummage sale on Saturday, February 11, at the YWCA.

**Committees Report**  
Miss Rosea Armor reported for the Service committee and Miss Doris Redding for the Finance committee. Mrs. Richard Folkenroth, secretary, read a letter from the International Wives club thanking the B. and P. club for the gift of song books. ## BULLETINS

Washington, Feb. 3 (AP)—The Truman administration today proposed a 10 per cent tax on television sets and a rise from 38 to 42 per cent in the top levy on business income to go with the cuts it has recommended in "sales" taxes. Secretary of the Treasury Snyder went before the House ways and means committee to outline in detail, with specific figures, the changes President Truman sketched only in broad outline in his recent tax message to Congress.

Washington, Feb. 3 (AP)—Major coal operators' acceptance of President Truman's 70-day strike truce proposal confronted John L. Lewis today with one of the toughest decisions of a turbulent career. The canny labor chief must decide by tomorrow whether to accept President Truman's proposal for a fact-finding board in the bitter soft coal contract battle.

(By The Associated Press)  
More than 46,000 persons were homeless and other thousands faced possible evacuation from rising flood waters in seven central and southern states Friday. But the flood-causing rains have ended and skies were clear. Some swollen rivers reached crests at upstream points. Barring further rain, flood dangers seemed likely to decline over the week-end in several critical zones.

London, Feb. 3 (AP)—King George VI in a proclamation dissolved Britain's Socialist-controlled Parliament today and cleared the way for the February 23 general election. The king's act dissolving the 1,674-day-old Parliament officially set off the election contest between Prime Minister Clement Attlee's Labor party and Winston Churchill's Conservatives to capture a majority of the 625 seats in the new Parliament. Actually Britons have been deep in the election fray for weeks.

## COUNTY'S CORN ACREAGE TOOK DROP IN 1949

Adams county corn acreage was lower during 1949 than at any time during the past three years, the county Production and Marketing committee revealed today.

Reports from 2,855 county farms showed a reduction by 8,000 acres in 1949 under the 1948 acreage. In 1947, according to the compilation, 2,855 farmers put out an average of 13.11 acres each for a total of 37,540 acres devoted to corn production. In 1948 the total acreage increased to 43,226, or an average of 15.14 acres per farm. In 1949 the total dropped to 35,142 acres, or an average of 12.31 acres per farm.

No reports were received from 588 farms listed with the county PMA committee. Assuming that they devoted the average acreage to corn production the totals for the county would be 45,249 acres in 1947, 52,128 acres in 1948 and 42,380 acres in 1949.

**Many Reasons Given**  
A number of reasons were given for the reduction in acreage, with the dry spell in May believed partially responsible for the drop due to farmers discovering that the weather was against them and switching to other crops. An acreage cut request from the U. S. Department of Agriculture may also have influenced some farmers.

Growth of the grasslands farming idea was also responsible in part for the reduction. It was held, with a larger number of farmers leaving more pasture for cattle.

The passing of the horse, which cuts down the amount of corn needed; preference for other crops, which produce better yields; rotation of crops, and similar reasons were listed as among those causing the farmers to cut down their corn acreage.

The 1949 crop, besides being short in acreage, was shorter in production, with the dry weather cutting down the size of ears and thus reducing the amount of corn produced. In 1948, however, when acreage was the highest, yields were also said to have been "very good" with an average production of 50 bushels per acre listed for that year.

## SGT. SINGLEY RE-ENLISTS

Sgt. Merle F. Singley, son of Mrs. Clara E. Singley, R. 2, re-enlisted in the medical department of the Regular Army for a three-year term this week at Medical Field Service school, Brooke Army Medical Center, Ft. Sam Houston, Texas, where he is assigned to duty as an instructor in the surgical technician course. Singley, who has a total service of nine years, served in two theaters of operations during World War II, the European-African-Middle East and the Asiatic-Pacific.

## Local Soldier Is On Duty In Japan

Pfc. David B. Wantz, son of Mr. and Mrs. Harry G. Wantz, Emmitsburg R. 3, is receiving training with the communications platoon of headquarters company, first battalion of the 32nd regiment, on occupation duty on northern Honshu, Japan's largest island, according to a headquarters communication. Wantz is being trained as a field lineman.

Joining the army on July 12, 1948, Wantz volunteered for duty with the Far East command. He sailed November 23, 1948, from Seattle, Wash., arriving in Yokohama, Japan, two weeks later. He served first with the First Cavalry division patrolling the thickly populated Tokyo-Yokohama area. Upon completion of his present tour of duty he plans to re-enlist and make the army his career, according to headquarters.

## LOCAL MOOSE WILL ATTEND LEBANON MEET

Approximately 20 members of the local Moose lodge will attend the Pennsylvania Moose association meeting at Lebanon Sunday, according to reports made at the regular meeting of the lodge Thursday evening in the Moose home on York street.

Arrangements were made at the session for transportation of members wishing to attend the Lebanon meeting. The group will travel in five cars.

Permission was granted to the SAE fraternity of Gettysburg college to use the second floor meeting room at the Moose home on March 11 from 2 to 5 p. m. for an annual initiation service.

## Nelson O. Spence Promoted At El Paso

Nelson O. Spence, son of Mrs. B. W. Spence, Steinwehr avenue, and the late Sheriff B. W. Spence, has been promoted to customs examiner (mail), U. S. Customs Service, El Paso, Tex., effective January 12.

Mr. Spence started with the government service in 1940, as a junior clerk stenographer, U. S. Coast Guard, Washington, D. C., later transferring to the Customs Service in Tampa, Fla.

After 26 months in the Air Cadets, U. S. Army, with the Third and Fourth Air Force, Spence returned to his position as an examiner's clerk to the headquarters office of the Customs district in El Paso, Texas.

The Spences have a son and a daughter.

## Top-Ranking British Physicist Held For Giving Atom Secrets

Washington, Feb. 3 (AP)—Congress today summoned Lt. Gen. Leslie R. Groves, wartime head of the U. S. atomic bomb project, to testify tomorrow about a British atomic scientist arrested in London on suspicion of passing A-bomb secrets to Russia.

Senator McMahon (D-Conn.) made the announcement of the joint Congressional Atomic Energy committee with the atomic energy commission. McMahon is chairman of the congressional group.

London, Feb. 3 (AP)—A top-ranking British physicist who worked on atomic bombs in the United States for three years was charged in court today with giving away atomic secrets "directly or indirectly useful to an enemy."

The U. S. Federal Bureau of Investigation announced in Washington it had worked with the British in breaking the case. High officials in a position to know said it involved two specific atomic leaks to Russia.

The specific charge said one leak was in the United States in 1945, the other in England in 1947.

## Trial Set For Friday

Karl Fuchs, 38, German-born atomic physicist who has been one of the ranking experts at the British atomic laboratory in Harwell, was brought into Bow street court today on two counts of violating the

## LOCAL GUARD WILL RECEIVE \$2,913 TUESDAY

Adams County's National Guardsmen will receive nearly \$3,000 in pay Tuesday evening at the regular drill scheduled to be held at the local armory at 8 o'clock.

First Lt. John W. Dearooff, Jr., Biglerville, commanding officer, said that the checks to be given to the 80 members of the troop total \$2,913.22, the largest payroll so far received by the county troop.

Distribution of the checks at a regular payroll formation at the armory Tuesday evening will also mark the last time payment will be made in that fashion, he added. Hereafter the checks will be mailed directly to the homes of the National Guardsmen from the Philadelphia financial office of the National Guard.

## Three Months Pay

The pay to be given out Tuesday is for the last three months of 1949 during which the local troop met 12 times.

A cadet class for men wishing to join the National Guard is being held each Thursday evening, it was pointed out. Replacements for guardsmen who may leave the troop are selected from the cadet class, Lieutenant Dearooff said.

The troop is planning to do its week-end firing in March at Camp Ritchie, if arrangements can be made, he added. If the arrangement is approved, the troop will be the only one of its squadron to fire at Camp Ritchie. Others will go to Indiantown Gap.

For the week-ends of firing, members of the troop are transported on Saturday in troop vehicles to camp, and return on Sunday. For that reason attempts are being made to hold the firing at Camp Ritchie, which is closer than Indiantown Gap and thus more time could be spent on the firing ranges, Dearooff said.

Arrangements are being completed for a troop skating party to be held Thursday, February 16, at Littlestown. The public is invited to attend the affair which is being held to promote an increase in social activities among troop members.

## SESQUI FINANCE COMMITTEE HAS STARTED WORK

Members of the Finance committee of the Adams County Sesqui-Centennial association started today to secure pledges to underwrite early expenses of the Sesqui celebration with the expectation that the underwriters will be fully reimbursed after the 150th anniversary events next summer.

Headed by Chairman M. D. DeTar of New Oxford, the committee will seek pledges totaling \$20,000 but only 30 per cent of the total will be collected in cash now.

"We believe the \$6,000 to be gathered in cash with the pledges will be adequate to carry the Sesqui organization through to the time when its own sources of revenue will develop," Mr. DeTar said. "The Sesqui celebration will cost about \$15,000 but it is expected to be self-sustaining. In the event of a surplus after bills are paid, the underwriters will be repaid their pro-rata share of the surplus. Any additional surplus after underwriters are repaid will go to county charitable organizations," he explained.

## Have Three Jobs

Mr. DeTar told the committee members they have three duties: To raise the early operating funds for the Sesqui organization, prepare the official Sesqui program and handle concessions during the celebration.

Checks from underwriters will be made payable to J. D. Miller, Biglerville, treasurer of the Sesqui organization. The solicitors will turn in their pledge cards through the office of Attorney Donald M. Swope, who is a member of the finance committee.

Notices were issued today for a general meeting of the entire Sesqui-Centennial committee next Wednesday evening at 7:30 o'clock at the court house.

## BIRTH ANNOUNCEMENTS

Mr. and Mrs. Dale Smith, 236 East Middle street, announce the birth of a daughter at the Warner hospital this morning.

A son was born this morning at the hospital to Mr. and Mrs. Russell Frankfield, Biglerville star route. Mr. and Mrs. Fred Naugle, Fairfield R. 1, announce the birth of a daughter Wednesday at the Waynesboro hospital.

## SUV TO MEET

The local Sons of Union Veterans will meet this evening at 7:30 o'clock at the GAR post home on East Middle street. Final plans for the Lincoln day dinner will be outlined at the meeting.

## Gettysburg DAR Chapter To Meet

Members of the International Wives club will present details of their lives in countries overseas before coming to America at the regular meeting of the DAR to be held this evening at 7:30 o'clock at the home of Miss Grace Sachs, Hanover street.

Hostesses for the meeting will include Miss Sachs, Mrs. C. Richard Wolff, Miss Mildred Stoner, Miss Alice Snyder, Mrs. Victor Duttera, Mrs. Roy Zinn, Mrs. Paul Group, Mrs. C. A. Williams, Mrs. J. Kerr Loti, Mrs. Frank Sargent, Miss Sabina Landis, Mrs. Louis Campanaro, Mrs. Guy Wolf and Miss Marion Tupper.

## COUNTY HEART GROUP FORMED; WILLS CHAIRMAN

With C. A. Wills, president of the Gettysburg National bank, as chairman of the Adams county chapter of the American Heart association, permanent organization of the local chapter was effected at a luncheon meeting at Hotel Gettysburg Thursday.

Rev. Charles E. Held, pastor of the Mt. Joy Lutheran church, is vice chairman and will direct the 1950 campaign of the county committee.

The permanent organization includes eight members of the Adams County Medical society and nine laymen. They are: Dr. Raymond F. Sheely, Dr. Joseph J. Baker, Dr. Roy W. Gifford, Dr. H. F. Harbach, Dr. C. Harold Johnson and Dr. David C. Stoner, all of Gettysburg, and Dr. L. L. Potter, Littlestown, and Dr. W. N. Sterrett, Arendtsville. Besides Mr. Wills and the Rev. Mr. Held the lay members of the county chapter are Henry M. Scharf, who will serve as secretary-treasurer; John S. Rice, Donald McC. Swope, Dr. Frank H. Kramer and R. P. Funkhouser, all of Gettysburg, and Attorney Francis Yake, Jr., McSherrystown, and Lloyd Crouse, Littlestown.

## Campaign Starts February 14

At Thursday's meeting, the local chapter formally affiliated with the Pennsylvania Heart association and with the American Heart association. Under this arrangement, the 1950 campaign will take place during the month of February with emphasis on National Heart Week starting on Valentine's Day. The local chapter will allocate 30 per cent of its funds to the American Heart association to finance research and 15 per cent to the state association for activities at the state level.

Mr. Wills appointed Dr. Johnson, Dr. Sheely and Dr. Sterrett a committee to formulate a program of local activities. These appointments were made following a discussion in which it was indicated that one of the immediate activities would be the sending of several nurses to Philadelphia for special training in the care of cardiac cases.

It was further indicated that an important phase of the local program (Please Turn to Page 2)

## Fairfield Bazaar Committees Named

A number of committees for the annual bazaar to be held by the Fairfield Community Fire company February 16, 17, and 18 in the Fairfield Community hall were announced today by Chairman Earl Musselman.

Included are the following: assistant chairmen, Raymond Miller, Harry Kane, Roger Myers, Kenneth Sites and Paul Myers; kitchen committee, Howard Weikert, Ira Fair and Sherman Sites; Cleason Herrington, Robert Carbaugh and George Steinberger, dancing; games, Harry Kane, Donald Neely, Francis Shultz, Kenneth Sites, Clyde McGaughlin and Warren Donnelly; refreshments, Clarence Wilson and Calvin Riley.

A variety of refreshments will be served on Thursday and Friday evenings and on Saturday evening there will be a baked ham supper. Serving will start at 5 p. m.

Each evening a draw prize will be awarded and games and dancing will be held.

## Littletown Girl Enlists As WAC

The enlistment of a young woman for the Women's Army Corps through the Hanover Air Force and Army recruiting station was reported Thursday by S. Sgt. Richard Taylor.

Enlisting for a period of three years was Miss Charlotte J. Hall, 18, of 88 North Queen street, Littlestown. A graduate of Littlestown high school with the class of 1949, she will receive basic training at Camp Lee, Va.

Other enlistments, all in the Air Force, during the month of January included: James Ephraim Sanders, 122 West High street, Gettysburg, four years.

Howard H. Fieckinger, Jr., Gettysburg R. 5, re-enlisted in the grade of Pfc. for six years in the Air Force.

## POLICE REPORT MORE MISHAPS ON U.S. ROUTE 15

More accidents occurred on the Gettysburg-Harrisburg road (U. S. 15) in January than on any other highway in Adams county, according to the monthly report of automobile accident investigations made by state police of the Gettysburg substation. This highway accounted for five of the 14 investigated during the month. The others were scattered.

More accidents occurred on Tuesday and Sundays than any other days of the week. Tuesdays ranked with the Harrisburg road in chalking up five mishaps, while Sundays were second with three. Wednesdays and Saturdays accounted for two each, while Mondays and Fridays got by with only one on each of these days.

Six persons were reported injured in the 14 accidents, there were no fatalities during the month, and property damage was estimated at \$8,763. Sgt. W. Kurt Duhrkoff, in charge of the substation, said.

## Seven Were Injured

The total accidents investigated was three less than for December, but five more than January a year ago. There were seven persons injured in December, compared with six in January, 1949. The latter month had one fatal accident in which one motorist was killed. December's property damage amounted to \$10,472 while the estimate for January, 1949, was only \$2,670.

During the past month state police of the Gettysburg substation spent 1,180 hours on traffic work, making 395 patrols. One hundred and sixty-three hours were devoted to criminal work, 191 to special assignments and 1,133 on station assignment. A total of 19,280 miles were traveled by highway patrols. Fourteen criminal investigations were made which resulted in 23 arrests. Ten investigations were made for other state departments.

Two automobiles, valued at \$2,000, reported stolen during the month, were recovered. One hundred and twenty-six traffic arrests were made.

## POULTRYMEN TO TRY TO CHECK FLOCK DISEASE

With the poultry disease problem in Adams county steadily worsening, local farm agents today united with Roy Heckenluber, president of the county poultry federation, in urging the county's 3,000 farmers who raise poultry to attend a meeting Monday evening at 8 o'clock at the court house here.

Due to the nature of some poultry diseases—notably infectious bronchitis—it is not only desirable but necessary to take preventive measures on a county-wide scale to avoid even more serious losses to flocks, County Agents M. T. Hartman and Ira N. Dummire pointed out.

Many poultrymen have already suffered heavy losses as a result of rapid spread of disease among flocks, the county agents noted. C. O. Dossin, poultry extension specialist, from State College, will lead the discussion on "Poultry Management and Disease Control" at Monday's meeting. The county agents termed their request for attendance at the meeting a "special appeal" because of the seriousness of the disease problem.

## Many Are Affected

That the poultry disease problem affect the county extensively is shown by the fact that the poultry industry includes practically every farm in the county. County Agent Hartman said. The size of the poultry flocks vary considerably, but by far the majority of the flocks are less than 500 laying hens, he noted.

In the 1945 census the returns from poultry and poultry products for one year as reported by 2,500 farms was well over \$2,000,000, Hartman said. The egg production as reported from 2,700 farms was better than 4½ million dozen. The number of chickens raised in the county during that year was 860,000.

Because of the tremendous importance of the poultry industry to the county, the meeting Monday should attract the attention of as many persons as possible, Hartman said.

## LEAGUE GROUP TO MEET

The Gettysburg branch of the Woman's League of Gettysburg college will meet February 7 at 2:30 o'clock at Christ Lutheran church. Dr. Richard A. Arms will read a play.

## BITTEN BY DOG

Robert Wentley, 28, Little R. 1, was treated at the Warner hospital after being bitten in the right arm by a dog.

## RED DEMAND TO TRY HIROHITO CALLED QUEER

By DEWITT MACKENZIE  
(AP Foreign Affairs Analyst)

Diplomacy moves in weird and devious ways to achieve its end in international affairs, as witness Russia's note to Washington demanding that the Mikado be tried as a war criminal on charges involving germ warfare.

This surprising note hasn't yet been answered, but officials say the proposal will be rejected. They suspect Moscow is trying for one thing to create a diversion to counter the American demand that the Soviet Union return 376,000 Japanese prisoners, some of whom are being held as war trophies.

Russia says these prisoners have been returned. That creates a considerable mystery, to put it mildly, because after all it isn't easy to misplace several hundred thousand troops.

**Emperor Was Exempt**

The Moscow note, which also was sent to London, is doubly queer in view of an announcement by the U. S. State department on January 14, 1949, that all eleven of Japan's wartime foes, including Russia, had agreed to exempt Emperor Hirohito from war crimes prosecution. This decision was kept secret three years. It was taken in line with a course that American experts urged on President Roosevelt and then on President Truman.

These experts advised that treating the emperor on the same basis as the Japanese government leaders would make surrender impossible and would multiply the difficulties of the occupation. This descendant of the sun goddess was an object of adulation to his subjects, most of whom regarded him as a divinity until the world was stripped him of that exalted distinction. Since the eleven nations reached their decision, General MacArthur has dealt with Hirohito as the recognized and respected leader of his people.

**Japan Red In Accord**

What then has happened since the 11-power decision to affect the Little Emperor? Well, the Russians recently tried 12 Japanese army officers in eastern Siberia on charges of using germs against Allied prisoners and Chinese civilians. The Muscovites say the prisoners pleaded guilty. That gives a chance to hook the Mikado with the affair. The Communist party in Japan yesterday approved the Russian demands.

The assumption of the Russian note of power is that the emperor has been a powerful ruler who would be responsible personally for the issuance of orders for the conduct of war. What foundation is there for such a supposition?

The cold fact is that the little man is generally regarded by informed observers as merely a symbol of government. It is widely accepted that he didn't originate important war orders. They came from the warlords in his government who passed them on through him.

## Minnesota Driver Fined By Justice

Raymond L. Weigert, New Brighton, R. 1, Minn., paid a fine of \$10 and costs to Justice of the Peace Robert P. Snyder Thursday afternoon on a charge of driving without an operator's license, following his arrest by state police of the Gettysburg substitution. Weigert told authorities he had a Minnesota license, but had left it at home.

Wendell Shank, York, paid a fine of \$5 and costs to Justice of the Peace David Hykes, New Oxford, R. D., on a stop sign violation charge, also filed by state police.

## DIONNES STOP HERE

Mr. and Mrs. Olivia Dionne, of Callander, Ontario, Canada, parents of the world famous Dionne quintuplets, and some members of their family motored through Gettysburg Thursday en route to Florida. They stopped at the Texaco service station, Steinwehr avenue, managed by John Codori.

Miami Beach, Fla., Feb. 3 (AP)—An appeal from John L. Lewis for moral aid in the coal crisis got a cold shoulder today from American Federation of Labor leaders. The AFL's executive council considered an indirect plea from Lewis for legal help in his court fight on the coal strike situation but decided to pass any action for the time being.

Canonsburg, Pa., Feb. 3 (AP)—J. Elmer Johnston, superintendent of the nearby Morgana Training school, admits he'll have to quit his post under fire. Shortly after he returned from a conference with Governor James H. Duff at Harrisburg, Johnston was asked if he'll bow to the school's board of trustees which requested his resignation by February 15.

Harrisburg, Feb. 3 (AP)—Pennsylvania farmers received the lowest prices for their products since 1946 during the month ending January 15, the state Agriculture Department today reported. The report said the purchasing power of the farmer's dollar also fell six cents from December 15 to a net of 95 cents. This was the lowest reported since August, 1937. The 95-cent value was 16 cents under a year ago.

Oil is produced in 26 U. S. states.

## DEATHS

John T. Wagaman

John T. Wagaman, 76, well known retired building contractor, who formerly resided in Hanover, died at his summer home, Ortanna R. 1, Thursday morning at 1:30 o'clock. He had been in ill health the past two years.

Mr. Wagaman was well known in York and Adams counties, having lived in this area his entire life, and in the past years had constructed numerous buildings in the territory.

He was a member of St. Vincent's Catholic church and the Holy Name Society, Hanover.

A son of the late John and Louisa Rider Wagaman, he was married to the former Agnes M. Althoff, who survives. Also surviving are two daughters, Miss Helen L. Wagaman, at home, and C. Bernadette O'Toole, Thurmont, Md.; two grandchildren, two brothers, Frank Wagaman, Abbottstown R. D., and Claude Wagaman, McSherrystown, and one sister, Mrs. Harry Neiderer.

Funeral services will be conducted at the William A. Feiser funeral home Monday at 8:30 a. m., followed by a high mass of requiem at 9 o'clock in St. Vincent's church. The Rev. Joseph G. Gotwalt will be celebrant. Interment in St. Mary's cemetery, McSherrystown. Friends may call at the Feiser funeral home Saturday and Sunday evenings. Prayers will be recited at the funeral home Sunday evening at 8 o'clock.

Mrs. Charles M. Englar

Mrs. Estelle Englar, 85, widow of Charles M. Englar, died suddenly Thursday morning at 5:30 o'clock at her home, Rocky Ridge. She was a daughter of the late John M. and Isabelle McClain Englar. She is survived by one daughter, Miss Nettie O. Englar, at home, two sisters, Mrs. Margaret H. Bell, Emmitsburg, and Mrs. Katie Schroeder, York, and a number of nieces and nephews. She was a member of Mt. Tabor Lutheran church. Funeral services at her late home Saturday at 2 p. m. with the Rev. Reese Poffenberger officiating. Interment in Mt. Tabor cemetery, Rocky Ridge. Friends may call at her late home until the time of the funeral.

## Sports Roundup

By HUGH FULLERTON, JR.  
New York, Feb. 3 (AP)—Happy Chandler will have some heavy thinking to do in the next few days over the Pirates' affair with young Paul Pettit and the question of whether some clubs are beating the gun on spring training.

The guess from here is that he won't slap anyone down for either cause. . . . Pettit obviously isn't a green kid who needs protection from unscrupulous scouts, and if Chandler decides that Pittsburgh evaded the high school rule, he'd have to say the same thing about any other club that might "assume" that pre-deadline contract. . . . The question here seems to be: Is an untied high school pitcher worth 100 G's?

A GRIT GAG

At the Chicago baseball writers' dinner last week, the National Baseball congress presented a plaque to Commissioner Chandler in recognition of his important role in helping to develop sandlot baseball. . . . Next guy on the program was Bill Veeck, who quipped: "Ray Dumont made a mistake in presenting that plaque to the commissioner for having done the most for sandlot baseball. It should have been presented here tonight to the Chicago Cubs."

## ALLIES MAY AID U.S. IN BERLIN

Washington, Feb. 3 (AP)—The United States reportedly will be joined by Britain and France in striking back at Russia's new "little blockade" of Berlin.

Soviet restrictions on transport between Berlin and western Germany prompted an announcement yesterday that this country will retaliate. Officials said joint counter measures against the Soviet zone of Germany are being discussed among the three western allies.

Presumably, any steps they take will follow the pattern of last year's counter blockade, which eventually brought trade between eastern Germany and western Europe to a halt. This pressure on the Soviet zone was regarded at that time as one of the principal reasons why the Russians finally gave up their full scale blockade of Berlin.

The new restrictions on traffic between western Germany and the non-communist section of Berlin have not yet assumed full blockade proportions.

State Department officials consider the current slowdown operation as an effort to create new uncertainty and unrest in western Germany, this retarding economic progress there.

## 700 Rings Worth \$15,000 Stolen

Scranton, Pa., Feb. 3 (AP)—An 81-year old Bogota, N. J., salesman reported to the police that 700 rings, valued at \$15,000, were taken from his room.

The salesman, Alfred A. Reilly, said he found the jewelry missing on his return to his room in the Hotel Casey after being away for about an hour. Reilly is employed by the Pollack Brothers, New York city.

Capt. James Conaboy of the Scranton police related the following story told by Reilly: The salesman arrived at the hotel around 1:30 p. m. yesterday and then took his display to a local jewelry store. On his return to the hotel he left the case with the rings in his room. Returning about an hour later he found the door open and the jewelry missing.

Reilly told police that the majority of the rings were gold and platinum with diamond settings. The others were wedding rings.

Philadelphia, Feb. 3 (AP)—Tighe E. Woods, Federal Housing expediter, says there is a great need for a community effort to produce adequate housing for wage earners in the \$40-\$60 a week bracket.

Woods spoke last night at a conference attended by rent advisory board members from the Philadelphia, Bucks-Montgomery and Chester-Delaware counties areas.

Narristown, Pa., Feb. 3 (AP)—State Senator Lloyd H. Wood, Narristown attorney, said today he is "on the availability list" as a Republican candidate for governor.

He quickly added: "But I'm most interested that we get the very best ticket we can get—which will be the one that the most people want."

until midnight for the annual card party and dance held by the auxiliary to raise funds for the hospital. According to the announcement made by Moose Secretary Charles Lauver, the auxiliary will hold a public card party in the ballroom during the afternoon, starting at 2 o'clock and a dance that evening.

Organization of a degree team is being effected by the local Moose, it was revealed in a motion directing that the men so far selected for the team and Secretary Lauver attend a meeting February 19 at the Harrisburg Moose lodge where the national ritual chairman of the Moose will aid in the instruction of degree teams.

Ralph Johnson was named to represent the lodge at a meeting of the community softball association to be held Monday evening.

Music for dancing and the floor show to be presented at the Moose home here on Friday and Saturday of this week and Friday and Saturday of next week will be provided by Pat Patterson's orchestra, Secretary Lauver announced.

Governor Clifford Harmon presided at the meeting. The next meeting of the Moose will be held February 16.

## COUNTY HEART

gram will be of an educational nature. The committee appointed to set up the local program will collaborate with the Adams County Medical society in formulating the county program.

County Goal Is \$2,500

Rev. Mr. Held said the minimum county goal of the 1950 campaign is \$2,500. There will be a general solicitation in all sections of the county and special appeals will be made to civic groups and industrial concerns, he added.

"Considering the loss of 150,000,000 man days a year in American industry through cardiac and vascular disease, it is easy to reckon industry's stake in the fight against heart disease," Rev. Mr. Held said.

Dr. Johnson said that the fatality rate from coronary occlusions has been reduced 30 per cent as a direct result of the research work conducted, sponsored and financed by the American Heart association. He said the new drugs that have been so successful are even now being replaced with more recent discoveries that are expected to produce more sensational results.

## Announce Schedule Of 6 Home Meetings

## Carlisle Runs Wild In Final Period To Top Warriors 50-31

Collapsing in the final period when Carlisle high went on a scoring rampage good for 24 points, the Gettysburg high cagers dropped a South Penn league game 50-31 Thursday evening on the Carlisle floor.

For three periods it was anybody's game but the red-hot Carlisle team, paced by Washington who dropped in a number of very long shots, split the game wide open in the final frame.

Coach Forney's outfit played fine ball in the first period when it took a 15-11 lead. During the round Deardorff looped four goals, Sachs a pair and Kuhn a foul and goal.

Gettysburg's only goals in the second period were by Harriel and Myers while Kuhn and Sachs added fouls to enable the Warriors to hold a 21-20 half-time lead.

There was little scoring in the third period, a pair of goals by Washington and single by Ahl sending Carlisle ahead 26-25 going into the final round. A goal by Deardorff and fouls by Kuhn and Harriel completed the locals' scoring in the third quarter.

The setback was the seventh against nine victories for the Forney-men.

In the preliminary the Warrior Jayvees, bowed 21-19 in a game which left much to be desired in the way of officiating.

Next Tuesday Hershey will come here for a league game.

## COLLEGE TEAMS AWAY SATURDAY

Four Gettysburg college athletic teams will be in action on Saturday, all away from home.

The Bullet varsity and freshman basketball teams will trek to Lancaster to meet Franklin and Marshall.

Coach Clyde Cole's wrestlers, victorious in five of six engagements, will clash with Temple at Philadelphia. Last year the Bullets won a 25-3 decision over Temple.

The Gettysburg college swimmers, who have lost three meets, will engage Drexel at Philadelphia.

Biglerville high's undefeated girls' team had a narrow squeak Thursday evening before defeating a scrappy New Oxford team, 25-21, at Biglerville for its eighth straight league triumph.

The Cannons trailed 8-7 in the first period, the first time this year they were behind at the end of the first quarter. The score was close at all times and the outcome in doubt until the final whistle. Guise looped 13 points for the winners and Lieb 12 for New Oxford.

The Biglerville girls' reserve team won easily, 57-24.

After trailing, 21-18, at the end of the third quarter, the Littlestown girls scored 13 points in the final period to down Newville on the latter's floor, 31-24. Yealy, Warner and Plunkert bore the attack for Littlestown while Fry topped Newville with 17.

In the preliminary game the Newville jayvees triumphed, 32-25.

**At Antioch**  
The mixture of national elements in the congregation at Antioch—Greek-speaking Jews and pure Greeks—fitted it to play a great role in the Apostolic Age. It became the first Gentile Christian Church. Many fugitive Christian preachers had gathered there and started a new era by preaching to "the Greeks also." Conversions followed, and the Jerusalem leaders sent Barnabas to assist. Soon Barnabas went to Tarsus to summon Paul and enlist his services, too. New Churches generally need expert guidance and the group at Antioch were particularly blessed.

This new congregation was noted for her "evangelistic originality." According to Hasting's Dictionary of the Apostolic Church: "It was the master-minds of Christian Antioch who at length changed the pathetic dream of a light to lighten the Gentiles' to a reality." There the disciples were first called "Christians." Maybe it was a nickname of derision for the Antiochenes were famous for their mastery of ridicule and ability to coin names. Pre-

Previously believers had been called "the brethren," "the saints" "those of the Way." But the name stuck for it meant "to be like Christ."

When Paul and Barnabas arrived Antioch was a teeming city of a half-million people. The city ranked

The secret of church progress under God depends not only on inspired and consecrated leadership but upon a substantial lay "followership." That was the secret of success in the first gentile church at Antioch; it was started by active earnest laymen who understood their problems and laid out a practical church program. Laymen are the witness to the power and love

This week's lesson can be divided into two parts: a study of the beginning of a new Christian center at Antioch and the birth of the movement for world missions. Within this larger picture is fitted the story of Barnabas and Paul, their early association and labors together.

### The Church Grows

The dispersion of the disciples following Stephen's martyrdom caused not only the spread of the Gospel but the formation of a large number of believers wherever refugees settled. Luke tells us that the Word was carried into Phoenicia, Antioch and Cyprus—far beyond the limits of Judea and Samaria. In the Book of Acts we notice that he (Luke) drops the history of the evangelistic work of the Jerusalem Christians at the end of chapter and leads up to the ministry of Paul, to whose ministry he devotes more than half the book. Thus the field of the Christian Church's operations widens, the fortunes of the mother church in Jerusalem gradually fade from

This natural church growth—acceptance of Christ's Gospel first by the strict Jews, then by the Hellenistic Jews, later by the Samaritans and the uncircumcised Gentiles—shows that God performs his works of grace by degrees. Eventually changes must come and identify the Church with the Kingdom of God as the Church develops and expands. The conversion of Cornelius and consequent influence

### Card of Thanks

We wish to express our sincere thanks to relatives, neighbors, and friends for all their kindness shown at the death of Arthur H. Shields. Also for floral tributes, expressions of sympathy, and use of automobiles. Wife and Children

### In Memoriam

WALTERS—In sad but loving remembrance of my dear little daughter, Patricia Elaine Walters, who passed away one year ago today.

Gone but not forgotten  
In the cold and silent grave  
Lies my dear little Patty  
Mourned by all who knew her  
In the land of peace and rest  
God saw her trouble ahead  
And took her home to rest  
She will always be remembered  
By ones who loved her best  
We still shed many a tear  
To think of you dear Patty  
Sadly missed by her parents, Mr. and Mrs. Edwin Walters.

WALTERS—In sad but loving remembrance of my dear granddaughter, Patricia Elaine Walters. I do not need a special day. To think of you dear Patty. I have not forgotten your dear Patty.  
Nor do I intend to.  
Yes, gone but not forgotten  
I often sit and think of you dear Patty.  
And I will to my end  
But dear in my memory you will always be.  
I often sit and wish I could see you  
Coming smiling through my door.  
Sadly missed by her Grandmother, Mrs. Mary Millhimes.

# INGRID BERGMAN GIVES BIRTH TO 7-POUND BOY

Rome, Feb. 3 (AP)—Ingrid Bergman and her blue-eyed baby boy born last night "are doing nicely this morning."

That was the report today from Dr. Pier Luigi Guidotti, who delivered the seven-pound, 14 ounce baby born to the Swedish actress who plans to marry Italian Film Director Roberto Rossellini when she obtains a divorce from Dr. Peter Lindstrom of Hollywood.

Dr. Guidotti said the birth was "absolutely normal."

The baby "resembles his mother," said Dr. Giuseppe Ferdinandi, director of the Villa Margherita clinic, where the child was born at 7 p. m. (1 p. m. EST) yesterday. Miss Bergman asked for her child 20 minutes after his birth, the doctors said. She smiled happily at the infant as it was placed beside her on the bed.

Both Are Happy  
Rossellini "smiled broadly when told the baby was a boy," Dr. Ferdinandi continued.

"Miss Bergman and Rossellini both were very, very happy," he said.

The clinic announced that the attending doctors administered a pain-killing drug to the actress and that it "was completely effective."

Except for Rossellini, no visitors have been admitted so far to Miss Bergman's suite of three rooms in the two-year-old modernistic hospital.

Today two white ribbon corsages

were pinned up on the drapes in the lobby of the clinic, attendants said they symbolized the birth of two boys—Miss Bergman's and another.

The child is Miss Bergman's second. She has an 11-year-old daughter by her estranged husband, Dr. Lindstrom, whom she sued for divorce in Juarez, Mexico, last week.

**LIVESTOCK BURNS**  
Lancaster, Pa., Feb. 3 (AP)—Ten head of cattle and 5,500 three-week-old chicks burned to death today in a fire on the farm of Mrs. Lester Doner, 16 miles northwest of here. Freezing temperatures and a high wind hampered the fire fighters. Three cows were saved from a barn that burned to the ground.

Philadelphia, Feb. 3 (AP)—Mrs. Rose Wolford, 70, Philadelphia, was killed by a trolley car today on her way to work at a confectionary store.

**Keys Are Presented**  
Snyder awarded keys to the following members of the staff: Earl Smith, Lillian Mickle, Edward Richer, Jeanne Hankins, William Wareheim, Al Strang, Steve Ayres, Richard Schantz, Shirley Thomas, John Miller, Walter Kirker, Tom Malin, Donald C. McBean, Chester Hoke, Willis Long, Maude Aundand, and Marion Jones. Keys were also presented to the two sophomores who had scored most points in a "scoop" contest. They were Wade Ortel and DeJay Rommel.

Alumni Secretary C. Paul Cessna, who served as toastmaster, complimented the Gettysburgian staff on their work. "The alumni are well pleased with The Gettysburgian," he said. Cessna also told the group that more than 400 alumni subscribe to the paper.

Guests introduced at the dinner included: Dr. and Mrs. Hanson, Mrs. Lee McCardell, Dr. W. E. Tilberg, dean of the college; Miss Dorothy G. Lee, dean of women; Dr. George S. ## LOANS FOR MEDICAL CARE

On an average day in the United States, seven million people are laid up with illness. Among these people are some who haven't provided for this emergency. But many in this group can turn to a bank for a personal loan covering medical, surgical and hospital expenses. Still others borrow for dental and optical costs. This is another helpful service your bank offers. We invite your inquiry whenever you need funds for this purpose.

# Johnson Says U.S. Ready To "Lick Hell" Out Of Russia On Hour's Notice

## SAYS DEFENSES OF U.S. IN BEST SHAPE SINCE '45

Washington, Feb. 3 (AP)—In some of the toughest language yet used in the cold war, Secretary of Defense Johnson said last night the U. S. is ready to "lick hell" out of Russia on a hour's notice.

"Joe Stalin will know that if he starts something at four a. m.," Johnson declared, "the fighting power of the United States will be on the job at five a. m."

Johnson's words, delivered to a gathering of 300 fellow alumni of the University of Virginia, were perhaps the sharpest to be aimed at Russia by an American cabinet officer since U. S.-Soviet relations began to sour after World War II.

### "We Are Seeking Peace"

Speaking from pencilled notes, Johnson said this nation's defense setup is more powerful than it has been since 1945. Then he added: "In all we are doing, we are seeking peace."

"There is only one nation in the world that would start a war. We seek to have a military establishment sufficient to deter that aggressor and to lick hell out of her if she doesn't stay deterred."

As a result of the unification law, he said, "the defense of the United States is in better shape and stronger than at any time since the point system wrecked it in 1945." The point system was the method used to discharge service personnel after the war.

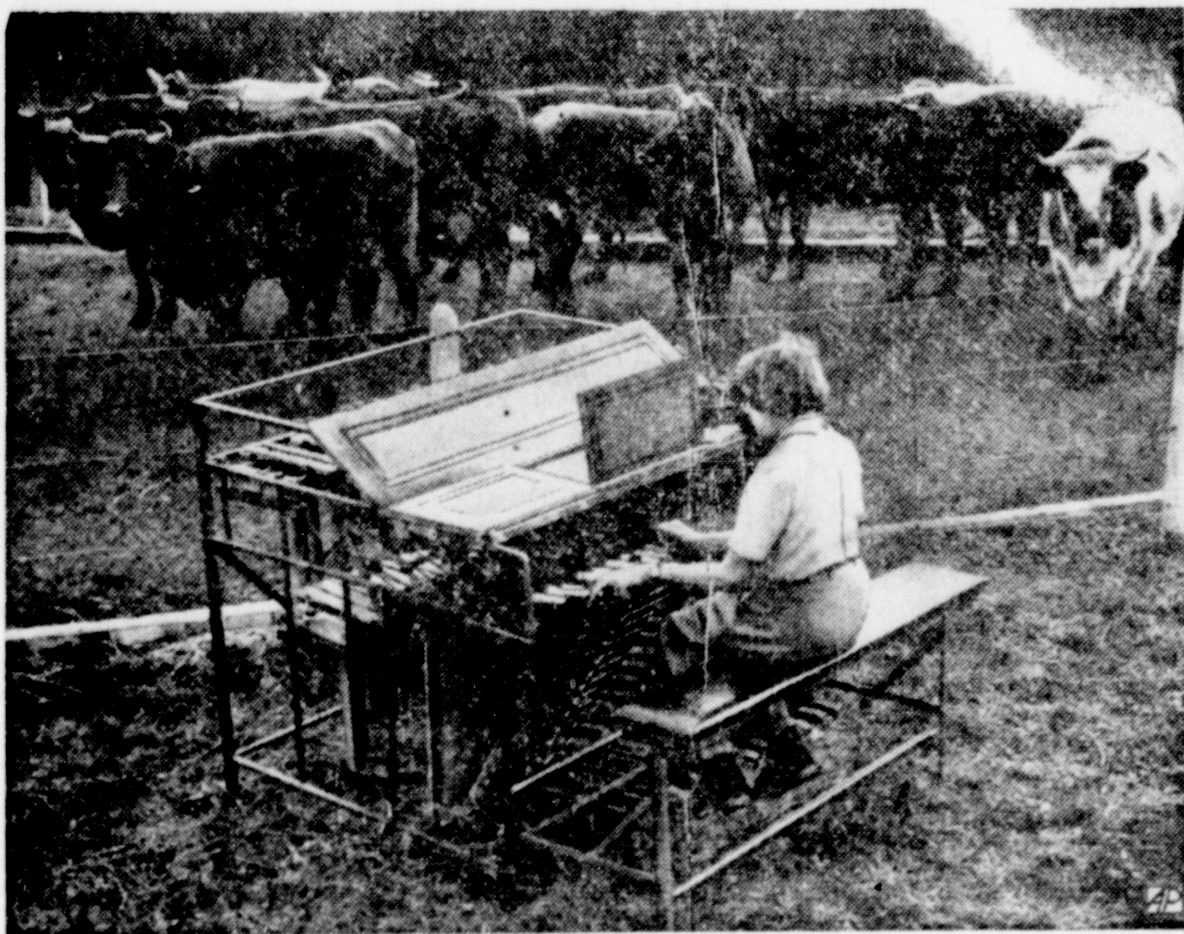

Johnson said the country's defenses are getting stronger daily and will soon reach a point where they will be ready for anything in an hour's time.

"In the field," he commented, "the sun shines on unification and the Army, Navy and Air Force are ready to go as a team. There was no unification at Pearl Harbor," he added, "or Pearl Harbor wouldn't have been."

What's more, Johnson said, he is "not sure today we lost a few hours" today, if Russia considered this country unprepared for war.

The nation's top defense official delivered his address before a cheering gathering at the National Press Club auditorium. The meeting was sponsored by the University of Virginia Alumni Association.

Johnson said that despite plans

## U.S. STANDS BY DEMANDS FOR ATOM CONTROL

Washington, Feb. 3 (AP)—President Truman has made plain the U. S. stands by its demands for tight international control inspections before outlawing atomic weapons, including the projected new hydrogen bomb.

Mr. Truman also told a news conference he sees no reason for formal notification to the United Nations on his order for the Atomic Energy Commission to continue its work on

to reduce armed forces strength by 100,000 men this year, "there will be more men in combat units ready to fight than before the reduction." This is being accomplished largely by shifting men from desk jobs to combat units, he said.

atomic weapons, including the hydrogen bomb.

Senator Vandenberg (R-Mich.), the Republican foreign policy leader, has suggested that the President let the world know this country is ready to stop work on the H-bomb if all such weapons can be outlawed definitely. Vandenberg said the President could act through the United Nations.

**Repeatedly Stated Position**  
A reporter asked Mr. Truman about that suggestion.

Mr. Truman said he does not believe a separate notification to the UN is necessary. Also, he said, he does not propose to use the hydrogen bomb order as a basis for a new move on the international control front.

The President said this government has repeatedly and continuously made its position clear to the United Nations, that it favors international control with rigid inspections. He said hardly a week goes by, but that such assurance is given.

Soviet Russia differs with the United States on the matter of inspections safeguards as a preliminary

## WATER COMPANY BUILDS OFFICE IN EMMITSBURG

The Emmitsburg Water company is building an office on East Main street, near the square in Emmitsburg. It will be a single story building 20 by 40 feet, all of which is to be made into office space. The basement will house machinery and tools for maintenance and repair service.

Officials of the company report also that with the coming of spring, if good weather conditions prevail, an all-out effort will be made to complete the new reservoir which will greatly increase the water reserve.

While present supplies are more to international control. No progress has been made in the UN thus far toward reconciling the United States and Russian viewpoints on controls.

than sufficient at present, company officials said, the construction of the new reservoir will provide a supply of water that should take care of any future expansion of the borough and should also be sufficient to provide water despite possible long periods of drought.

On Sunday, February 5, the Union Bridge Tumbling club, under the direction of Jack Bubrick, plans to present an athletic jamboree at 2:30 p. m. in the St. Joseph's high school auditorium. The entertainment will consist of tumbling, stunts on the springboard, wrestling, singing and dancing, as well as acts of drama and comedy. Boys and girls from the first to the 11th grades will take part in the show. Admission for adults will be 50 cents and for children, 25 cents.

**Many Events Listed**  
There will be a meeting of the Emmitsburg Baseball association on Sunday, February 5, at 1:00 p. m. in the afternoon in the Firemen's hall of Emmitsburg. The directors are especially urged to attend this meeting.

Members of the Junior class of St. Joseph's high school will receive their class rings on February 14.

Dinner guests recently at the home of Mr. and Mrs. Roy Maxwell, West Main street, were Mr. and Mrs. Raymond Roop and Mr. and Mrs.

# FOOD AND DRUG PHONEYS BARED BY UNCLE SAM

Washington, Feb. 3 (AP)—The food and drug administration expressed alarm today over an increase in the number of dangerous drugs it has found on the market.

It also noted a rise in the careless use of the deadly rat poison 1080.

At the same time, however, the agency pointed out that "to the credit of the American food, drug and cosmetic industries as a whole, better supplies of these products are available than ever before."

In his annual report, Commissioner Paul B. Dunbar listed these as some of the difficulties he has run into in the past fiscal year:

1. The increase in coffee prices led to attempts to salvage coffee "to the last bean." The administration seized five large lots of sweepings—beans spilled from broken bags in ship holds and on docks—some of them containing "half their weight in unspeakable filth."

## Short-Weight Shipments

2. DDT is still found in dairy barns. The agency reaffirmed its position of last fall that there will be "no tolerance for DDT in milk, because it is a poison that is not required in good dairy farm practice."

3. Shipment of short-weight products such as gifts packages little more than half full, and honey-rum-brandy cakes with little honey and no rum and brandy. "But the agency reported that although 14 shipments of candy were seized as short weight, "in general the proportion of the candy to the package in candy bars is improving."

4. The use of "naked" raspberry seeds in pie filling to give the false impression that it contained raspberries—a fraud, the agency said, which recalled practices before the passage of the Food and Drug Act in 1906.

## Phoney Medical Devices

5. Deodorants that proved irritating to laboratory animals (70,000 such jars later were mixed with cement to form part of an excavation fill), egg shampoos short on eggs, olive oil hair dressing consisting chiefly of mineral oil, and an explosion—while the shipment was being seized—of quart jar samples

# OPEN SEASON ON DEER IS STUDIED

Harrisburg, Feb. 3 (AP)—Pennsylvania hunters may get a full open season next fall on all deer except yearlings.

That possibility was voiced today by Thomas D. Frye, executive director of the State Game commission. Such a season, making both buck and doe legal prey, would be the first combined season since 1943.

A special one-day doe season was held last December 1 after the conclusion of the past buck season.

Frye estimated the number of deer in the state at more than 700,000—about twice as many as the state's woodlands should support.

Farmers and sportsmen of Cameron and Potter counties were to meet with Frye about the problem this afternoon in a mass meeting in front of the court house in Coudersport.

Bert McElroy, chairman of the group, said it seeks relief from an overpopulation of deer that has been destroying crops in the area. He said the group has set March 31 as "Deer Day"—a deadline for support from the state.

McElroy said most of the deer habitat in the two counties was snowbound during part of the buck season and the one-day doe season this past fall. Hunters were unable

to reduce the herd to normal proportions, he added.

Frye said the combined season might last only one week next fall "because of the tremendous pressure caused by the extraordinary number of hunters in the state." The commission will meet here in July to decide the type and length of the deer season.

Washington, Feb. 3 (AP)—President Truman declined to say Thursday whether the reauthorized battleship Missouri will be taken out of service. The President told his news conference that Secretary of the Navy Matthews has the power to

order the ship into mothballs. But, Mr. Truman added, he assumes the secretary will discuss it with him before issuing any such order.

Harrisburg, Feb. 3 (AP)—The state Milk Control Commission has proposed to cut retail milk prices two cents a quart to 19 cents in the Pittsburgh and Erie areas, effective February 15. For the first time in the agency's history, tentative orders calling for the reduction were released to the public in advance of a conference of dealers and producers with the commission to consider the price change.

EASIEST 3-POINT HOOK-UP YOU EVER SAW

## THE NEW LOW-COST TWO-PLOW "VAC" CASE TRACTOR

Tractors equipped with a new 3-point hitch and hydraulic implement control have been put on display. With this new "Eagle Hitch," a plow or any one of a variety of rear-mounted "latch-on" implements can be hitched or unhitched in a minute or so, with no need for the driver to get off the tractor seat.

The new hydraulic control is "practically fool-proof," since it is not subject to air locks and is entirely independent of clutch and power take-off. Mounted on the engine, the self-priming pump operates whenever the engine is running. Implements may be raised and lowered regardless of whether the tractor is traveling or standing, in gear or out. The hydraulic fluid supply is never a problem, because the unit uses ordinary motor oil.

A single control lever near the driver's right hand raises and lowers any "latch-on" implement. The design of the "Eagle Hitch" itself keeps the implement working at uniform depth in spite of rough ground or hard or soft spots in the field. A short movement of the control lever will change implement settings to meet unusual field conditions without stopping or slowing the tractor. A handy turnbuckle sets plow depth for normal operation.

The low-cost two-plow "VAC" Case tractors now carry the new hitch and hydraulic control as regular equipment. We also will have plows and other "latch-on" implements of types used in this area.

## WARN DIRECTORS ON SUBVERSIVE PUBLICATIONS

Harrisburg, Feb. 3 (AP)—Pennsylvania school directors were warned to be on the lookout for "subversive literature" now infiltrating public school libraries.

The warning was issued by Dr. Francis B. Haas, state superintendent of public instruction.

Dr. Haas told the associations annual convention that numerous attempts are underway to introduce such material into schools under the guise of gifts and donations.

"Some of these papers, magazines and pamphlets exalt governments other than our own and consequently discredit our present system," Dr. Haas declared, adding: "Obviously, children in our schools should be given all the facts on a controversial issue, but only consistent with their ability to understand the issue."

Some 1,400 school directors from all parts of Pennsylvania attended the two-day convention which ended Thursday.

### Costs Are Up

Dr. Haas also struck out at people whom he said are "unable to understand that education costs money like anything else." "It seems ridiculous to me," he said, "for citizens to understand that all costs have gone up, but yet by some peculiar twist

of their imagination think school directors can go on buying education materials without more money."

The convention virtually closed the door against proposals that it back a state sales or income tax to finance rising education costs. The association's legislative council decided to withhold endorsement of all taxing proposals until further studies are made. Little hope was held out that its action would be over-ruled.

The council also took no action on a proposal that it seek a \$27,500,000 increase in state school subsidies.

### Secretaries Elect

Rep. Albert E. Madigan, Towanda Republican, told the council he "would not object too much to a straight income tax" in Pennsylvania.

The Bradford county lawmaker and school director added, however, that he was opposed to a sales tax since it would "hit most hard the working man with a large family."

Madigan also forecast the Pennsylvania's 60,000 school teachers will seek another salary increase in the 1951 legislature.

Elias H. Phillips, of Lower Paxton township, Dauphin county, was named new president of the state Association of School Board Secretaries which held a one-day convention here yesterday. The association also named R. L. Thompson, of Altoona, vice president, and Leodon Y. Tuckerman, of Media, treasurer.

## News From Littlestown

### COURT OF HONOR IS ARRANGED FOR BOY SCOUT WEEK

Littlestown Boy Scout Troop No. 84, as a part of Boy Scout week which begins with February 6 and closes February 12, will hold a court of honor, Wednesday evening, February 8, at 7:30 o'clock in the Littlestown high school auditorium. Scoutmaster Alton E. Bowers will serve as the master of ceremonies.

The scouts will assemble in the hall at the high school and, at the sound of the bugle, will march into the auditorium, stand at attention, and salute the flag, while the bugle is sounded. After the group singing of "America," the invocation will be offered by the Rev. John C. Brumbach, pastor of Christ and St. Luke's Reformed churches. Scoutmaster Bowers will give the address of welcome. Special music will be furnished by a male quartet from St. John's Lutheran church, consisting of L. Robert Crouse, Edgar E. Yealy, Albert Starnier and Dale Stary. Group singing will follow in charge of Robert DeGroot.

After a recital of the scout oath by the scouts, three brief talks will be given on sections of the obligation. They are: "Physically Strong" by Clayton L. Evans, coach, Littlestown high school; "Mentally Awake," Prof. Paul E. King, supervising principal of the Littlestown school; and "Morally Straight" by the Rev. Frank E. Reynolds, pastor of Redeemer's Reformed church.

### To Give Awards

Steps in scouting from the cubs to the Eagle Scout will be demonstrated by a different boy representing each step, and one of the leaders explaining the requirements to pass from one step to the other. The following will present awards for the different advancements: Scoutmaster Bowers will present the Tenderfoot awards; Wilbur A. Banker, a member of the troop committee, second class awards; assistant scoutmaster, Edgar Wolfe, first class awards; troop committee chairman, Charles Ritter, Star and Life awards; assistant scoutmaster, Ed Geiman, merit badges. The highest of all the awards, the Eagle award will be presented to Charles Brown by Scoutmaster Bowers.

Luther D. Snyder, a troop committeeman, will present the Appalachian Trail plaques to the scouts who have traveled the required distance on the trail, which is from the Susquehanna to the Potomac rivers.

A representative from the Cone-wago district will present appropriate remarks after which there will be another selection by the St. John's male quartet. A scout drill will be conducted by assistant scoutmaster, John Way. Following the group singing of a parting song, the benediction will be pronounced by the Rev. Mr. Brumbach, after which taps will be sounded, Paul Snyder will be the bugler.

The public is invited to attend. This court of honor will take the

### To Invite District Society Next Year

Mrs. J. Robert Sell, North Queen street, was hostess to the Abigail Kammerer Missionary society of St. Paul's Lutheran church Wednesday evening. The president, Mrs. Mahlon Bucher, presided. An invitation will be extended by the group to the Adams District Missionary conference to hold the annual conference at St. Paul's church in May, 1951. Mrs. Claude Miller was chosen leader for the next meeting, which will follow the Lenten church service on Wednesday, March 1. An invitation has also been extended to the Frances Segner missionary society of St. Paul's church to meet with them at the next meeting.

The birthday of Mrs. J. Robert Sell was noted and Mrs. Carl Baumgardner was received into the membership of the society. The treasurer's report was given by Mrs. H. Dean Stover. The secretary's report was given by Mrs. Robert Wareheim. The topic for the month was "Japan Faces a New Day." It was discussed by the leader, Mrs. Milton Harner, assisted by several of the members. A guess package donated by Mrs. Robert Wareheim was received by Mrs. L. Robert Snyder. Following the meeting, a number of games were enjoyed and refreshments were served by the hosts.

Approximately 90 were in attendance Thursday evening in the Littlestown high school cafeteria, when ladies' night was observed by the Littlestown Lions club. A turkey banquet was served by Mrs. Marvin Breighner and her cafeteria staff. The tables were decorated with cut flowers. Dinner music was furnished by Richard Geisler on the piano and solvox. Guest soloist was Stewart N. Long, who sang "Mother Macchree," "Road to Mandalay" and "Trees," accompanied on the piano by Mrs. J. Robert Sell.

Highlighted on the program was the presentation of a Senior Master Key to James U. Bowers, a charter member of the club, who secured 25 members for the club since its organization more than 10 years ago. In addition he received a plaque from Lions International. These awards were presented by the Rev. Charles E. Held, who is deputy governor of District 14C. Appropriate remarks were made by both the Rev. Mr. Held and Mr. Bowers. Rev. Held said, "We now have Lionism in 27 different countries, the latest of which is England, where it was recently established by an Act of Parliament. There are now 400,000 members in 9,000 clubs."

**Dr. Rasmussen Speaks**  
Guest speaker for the evening was the Rev. Dr. Carl C. Rasmussen, professor of systematic theology at the Gettysburg seminary who spoke on "Prospects for Communism in Scandinavian Countries." He discussed five points, fear, the level of the social development in those countries, democracy, culture and religion. He said: "Communism doesn't have much to offer these countries due to the high culture they now enjoy."

This program was arranged by the Lions Education committee consisting of Robert L. Crouse, W. E. Koons, W. A. Crabbs and Vernon C. Reaver, assisted by Chester S. Byers and Edgar A. Wolfe. Chester S. Byers served as toastmaster.

The next meeting will be held in Bankert's Littlestown restaurant on Thursday, February 16, when the program will be in charge of the Health and Welfare committee, which includes Wilbur A. Bankert, Charles E. Tressler and Holman L. Sell.

Plan World Day Of Prayer February 24

St. Paul's Lutheran church, Littlestown, will be host to the "World Day of Prayer" service for Littlestown and vicinity, on Friday, February 24, at 7:30 p. m. This service is observed annually on the first Friday of Lent with 90 countries participating. This is a union service and all church, fraternal, youth, charitable, civic and social groups are invited to participate.

"World Day of Prayer" is interdenominational, interracial and international in scope. The offerings are divided between missionary work at home and abroad. The service seeks to bring the people of our country and the world into greater communion with each other. Women's devotional groups throughout the world, and in this country, the United Council of Church Women, an organization of 10 million women sponsor the service.

"Faith for Our Time" is the theme for this year. The women of St. John's and St. Paul's Lutheran, Christ Reformed, St. Luke's Union, Redeemer's Reformed and the Centenary Methodist churches will take part in the program.

FIREMEN TO MEET

The monthly meeting of the Kingsdale Volunteer Fire company will be held, Monday, February 6, at 8 p. m. at Walter P. Crouse's along the Littlestown-Taneytown road.

**Washington, Feb. 3 (AP)—**Chairman McKellar (D-Tenn.) Thursday urged members of the Senate appropriations committee to chop better than 25 per cent from European recovery funds this year. The Tennessee said he hopes the group will trim at least \$800,000,000 off the administration's proposed \$3,100,000,000 program.

DILWORTH IN GOVERNOR RACE

**Harrisburg, Feb. 3 (AP)—**Richardson Dilworth, who turned back the powerful Republican organization last November, became an avowed candidate today for the Democratic nomination for governor.

But backers of U. S. District Judge Guy K. Bard continued to press the name of the Lancaster county jurist for the gubernatorial nomination. They claim the party needs a candidate to attract rural voters and that Bard could do that.

The Dilworth-Bard situation provided a backdrop for a meeting of the party's top-level 12-member policy committee here tonight and a meeting of the state committee Saturday to get the 1950 political campaign started.

Dilworth, elected city treasurer of Pennsylvania's first city on an issue of "clean government" announced his candidacy last night after James A. Finnegan, Philadelphia Democratic city chairman, claimed pledges of support from 25 counties for him. At Lancaster, A. E. McCollough, Jr., Lancaster county chairman, who has been spearheading the Bard campaign, claimed support of 38 counties for the judge, who served as attorney general in the latter days of the Democratic Earl administration.

U.S. Liner Damaged By London Storm

**London, Feb. 3 (AP)—**The 30,000-ton U. S. Liner Washington was

hurled against a Southampton dock and holed today in a howling gale that lashed western Europe from Britain to Portugal. Most of the line's 622 passengers

were shaken up but none was reported hurt. The number two hold was flooded. The cargo there included automobile. Crewmen stuffed mattresses into

a gaping hole in the Washington, below her waterline. Longshoremen helped to push them into place with poles.

**HERE'S THE NEW 1950 BUICK SUPER 126**, companion body-type to the equally new ROADMASTER 130. Both are shorter than last year's 4-door Sedans — yet 4 inches longer in wheelbase. In both, the difference is used to give you real stretch-out room in the rear seat.

What the boys did here really calls for some medals. We gave them the job of coming up with something that was bigger inside—for room and comfort—longer in wheelbase—always important to good riding qualities—yet unbulky and easy-handling in over-all dimensions. Just look how well this tidy number meets these "impossible" specifications! Item one—rear-seat cushions are a full foot wider than last year's SUPERS and ROADMASTERS. Item two—in every dimension—leg-room, head-room, hip-room, shoulder-room—this rear-seat compartment is bigger than previous models—and nearly four inches longer, fore and aft, than other 1950 Buick interiors. Item three — wheelbases are the longest of our 1950 line. On the SUPER, it is 125½" instead of 121½"—on the ROADMASTER 130¾" instead of 126¼".

That means easier parking, easier tucking away in family garages, easier maneuvering in crowded traffic. There are some other things too. An extra rear-quarter window not found in standard 4-door Sedans. A different upperstructure styling that makes this body-type stand out as something pretty special. Even special names that let you say, "I drive a SUPER 126" or "Mine's a ROADMASTER 130," just by way of being different. Yes, we think we hit on a happy idea in the "Longfellows," as they're coming to be known. They are not longer, on the outside, but there's a two-way stretch—in width and length—in the rear compartment. You're going to like that—as you'll see by calling on your own Buick

dealer. If he doesn't have one on hand, he can get it pretty promptly — and at a price and on a deal you'll have trouble matching, much less beating, anywhere else. See him now, will you—about placing an order?
